Data protection Regulations- General Privacy Policy

Your personal data – what is it?

“Personal data” is any information about a living individual which allows them to be identified from that data (for example a name, photographs, videos, email address, or address). Identification can be directly using the data itself or by combining it with other information which helps to identify a living individual (e.g. a list of staff may contain personnel ID numbers rather than names but if you use a separate list of the ID numbers which give the corresponding names to identify the staff in the first list then the first list will also be treated as personal data). The processing of personal data is governed by legislation relating to personal data which applies in the United Kingdom including the General Data Protection Regulation (the “GDPR”) and other legislation relating to personal data and rights such as the Human Rights Act.

Who are we?

This Privacy Notice is provided to you by Claypole Parish Council which is the data controller for your data.

Other data controllers the council works with:

We may need to share your personal data we hold with them so that they can carry out their responsibilities to the council. If we and the other data controllers listed above are processing your data jointly for the same purposes, then the council and the other data controllers may be “joint data controllers” which mean we are all collectively responsible to you for your data. Where each of the parties listed above are processing your data for their own independent purposes then each of us will be independently responsible to you and if you have any questions, wish to exercise any of your rights (see below) or wish to raise a complaint, you should do so directly to the relevant data controller.
